1ST FLOOR / BACKYARD PATIO

We do not offer private events in these areas, as they are always open to the public. If your event does not need to be private these areas may be available for you. If you bring 50 people or more a drink special may be available.

DRINK SPECIALS

Available Sunday through Thursday. If you are bringing 50 or more people to the bar we'd be glad to come up with a drink special for your group. Drink specials will be specialty shots created by the bartender on duty. They will be sold at \$3 each.

RENTING OUT THE WHOLE BAR

The entire bar can be available for rent on a Sunday or Monday. Due to our weekly events no other days are available. For pricing contact James (info at bottom).

FOOD

We currently do not have a catering program set up yet but please ask if you are interested. We would love to pull something together for your event whether it be at our bar or for your own location. The kitchen is always open so your event guests can order from the regular menu. Food is not allowed on the 2nd floor generally but accommodations can be provided upon request.

2ND FLOOR RENTAL

The upstairs floor is available to rent for private events. This includes exclusive access to the 2nd floor for your event, a Mother-staffed private bar, and use of the sound system. Other accommodations can be provided upon request.

NON-PROFITS & ARTIST ORGANIZATIONS

We currently support a number of non-profits, artist groups, literary groups etc. and are very willing to host new organizations. We do not charge non-profits or arts groups to rent the bar. Simply email James (motherbar@gmail.com) to discuss your proposed event.
